Just one breath, and it's instant death
It's the aerosol grey machine

Just one breath, and it's instant death
It's the aerosol grey machine

Well, you're walking along the road one day
Up comes a man dressed all in grey
He blows a little aerosol in your face
And you find your mind's all over the place

Just one breath, and it's instant death
It's the aerosol grey machine

Buy an aerosol grey machine
For your own home today
Shan't, shan't, I'm not going to
