Did I ever tell you how you live in me  
Every waking moment, even in my dreams  
And if all this talk is crazy, and you don't know what I  
mean  
Does it really matter, just as long as I believe

I will love again, though my heart is breaking  
I will love again, stronger then before  
I will love again, even if it takes a lifetime to get over  
you  
Heaven only knows, I will love again

People never tell you the way they truly feel  
I would die for you gladly if I knew it was for me  
So if all this talk sounds crazy, and the words don't  
come out right  
Does it really matter if it gets me though this night

I will love again, though my heart is breaking  
I will love again, stronger than before  
I will love again, even if it takes a lifetime to get over  
you  
Heaven only knows

If I'm true to myself, nobody else can take the place of  
you  
But I've got to move on, tell me, what else can I do

I will love again, though my heart is breaking  
I will love again, stronger than before  
I will love again, even if it takes a lifetime to get over  
you  
Heaven only knows, oooh, I will love again

I will love again... I will love again... One day I know  
I will love again, you can't stop me from loving again  
Breathing again, feeling again, I know one day I'll love  
again
