Them that's got shall have  
Them that's not shall lose  
So the Bible says and it still is news  
Mama may have, Papa may have  
But God bless the child that's got his own, that's got his  
own

Yes the strong get smart  
While the weak ones fade  
Empty pockets don't ever make the grade  
Mama may have, Papa may have  
But God bless the child that's got his own, that's got his  
own

Money, you've got lots of friends  
They're crowding around your door  
But when you're gone and spending ends  
They don't come around no more  
Rich relations give crusts of bread and such  
You can help yourself, but don't take too much  
Mama may have, Papa may have  
But God bless the child that's got his own, that's got his  
own

Money you've got lots of friends  
Crowding around your door  
When you're gone and spending ends  
They don't come around no more  
Rich relations, they give crusts of bread and such  
You can help yourself, but don't take too much off  
Mama may have, Papa may have  
But God bless the child that's got his own, that's got his  
own

Here just don't worry about nothing cause he's got his  
own.
