I have come to meet you  
Coz I told you that I would  
I have come to free you  
Coz I told you that I could  
I have just been waiting  
For the time when you would say  
I need you more than anything right now  
And not a second more to wait

I was left forsaken  
Gave up everything I knew  
All that kept me going  
Was the thought of me and you  
They laid me in the ground  
And then they said it was the end  
But I came alive again, for you  
So why can't we be friends

And I've been waiting for  
You-oh-oh  
You-oh-oh  
And I've been waiting for  
You-oh-oh  
You-oh-oh

I can still remember  
When they took my life away  
Don't you know to me  
A thousand years is like a day  
An I can see it all  
An I will take away your tears  
Don't you know to me a day is like a thousand years  
A thousand years

And if you live a life  
That's bound by other people's words  
Never will you hear  
Your voice of truth will not be heard  
But if you live a life  
That's filled with pain and misery  
Come to me with open arms, just like a child

An I will set you free

I've been waiting for

You-oh-oh

You-oh-oh

And I've been waiting for

You-oh-oh

You-oh-oh

I've been waiting for

You-oh-oh

You-oh-oooooooooh

And I've been waiting for

You-oh-oh

You-oh-oooooooooooooh

And I keep on waiting on

Keep on waiting on

Keep on waiting oooooooooon

I keep on waiting on

Keep on waiting on

Keep on waiting oooooooooon

I've been waiting for

You-oh-oh

You-oh-oh
