Don't you know?
You, pump it up
Don't you know? [2x]

It's not so long ago, that the sound hit the nation
Every Saturday night, on your favourite radio
And the party's jumping, yeah, and the vibe feels so
strong
Throw your hands in the air, lift your head up high
You know you've got to sing along

Don't you know, pump it up
You've got to pump it up
[4x]
Pump it up, pump it up, ..
You've got to pump it up

Don't you know?
You, pump it up
Don't you know? [3x]

Got to feel it, what's the name of the jam?
Say I can feel it, you know you can
I've got my groove on and I'm ready to go
Check out my ride, girl, but don't touch my radio

Don't you know, pump it up
You've got to pump it up
[4x]
Pump it up, pump it up, ..
You've got to pump it up

You know you've got to sing along

Don't you know, pump it up
You've got to pump it up
[4x]
