Ta loyia sou simadia haragmena
pou arnithike na svisi o keros
ki an tipota den imouna yia sena
yia mena isoun ta panta distihos

Ta gramata sou keo ke dakrizo
ton tiho me ta heria mou htipo
to aspro tis kardias mou ekanes gkrizo
ke ntrepome pou akoma s' agapo

Mi yirisis ksana
i kardia den ksehna
ki i pliyi sou den eklise akoma
s' agapousa poli
ma na kseris treli
pos yia mena ise pia kseno soma
sou milao ilikrina mi yirisis ksana

Monahos ki ap' tous filous ksehasmenos
yirevo ton hameno mou eauto
mazi sou imoun panta o hamenos
les ki itane tis tihis to grafto
