(Gino Vanelli)

In my life

I've felt so self assured

But suddenly it's all changed

She's a cloud, that hangs above my world

And I find myself wond'ring in the rain

And now I can't go on

'Cause I am lost

Living inside myself

Living inside this shell

Living outside your love

I am lost, somewhere inside my own dreams

Afraid of what life really means

Living without your love

I need a guiding light

To shine on my darkest days

I was young, and time was on my side

But like a fool I let it slip away

And now those days are gone

And I am lost

Living inside myself

Living inside this shell

Living outside your love

I am lost, somewhere inside my own dreams

Afraid of what life really means

Living without your love

In my life

I've felt so self-assured

But oh how all the seasons change

And now I'm not that strong

'Cause I am lost

Living inside myself

Living inside this hell

Living outside your love

I am lost, somewhere inside my own dreams

Afraid of what life really means

Living without your love

I am lost

Living inside myself

I am lost, somewhere inside my own dreams

Afraid of what life really means...
