[Verse 1]

The rain is falling
the rain is washing away
the pain inside me
is what burns

[Verse 2]

She left without a warning
From me she ran away
I sit here in silence
she begins a new life at play

[Verse 3]

I don't know how I got here
So I don't know how not to return
The pain deep inside me
is what burns

[Chorus]

I know what I have to do
I know I must be strong
The power of God is within me (us)
but not without me (us)

Bridge

Gmaj Cmaj
You left me for the last time
Gmaj Cmaj7
You shut your soul from me
Gmaj Fmin7
And now I've made it so
Gmaj
I can't get back to you
So don't you try to write
or call me on the phone
I've finally found a place
where I can hide from you

[Chorus]
