Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
Everybody, everybody  
Absolutely everybody

Absolutely everybody  
Absolutely everybody  
Absolutely everybody  
Absolutely everybody

Everybody needs a little loving  
Everybody needs somebody thinking of them  
Everybody needs a little respect  
And whatever it takes, I'm gonna get it

Everybody needs a hand to hold  
Someone to cling to  
When the nights are getting cold  
I'm no different, I am just the same  
A player in the game

Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide world

Absolutely everybody  
Every boy and every girl  
Absolutely everybody

Everybody needs a human touch  
I can't live without it  
It means too much to me  
Everybody needs one true friend  
Someone who'll be there 'til the very end

And absolutely everybody breathes  
And everybody, everybody bleeds  
We're no different, we're all the same

Players in the game

Absolutely, everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide world

Everybody breathes  
And everybody needs  
Absolutely everybody

Absolutely everybody  
Absolutely everybody  
Absolutely everybody  
Absolutely everybody

Every boy and girl  
Every woman and child  
Every father and son  
I said now everyone  
Yes now everyone

Everybody needs a human touch  
Everybody, everybody needs love  
I'm no different, I am just the same  
A player in the game

Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide world

Everybody breathes  
And everybody needs  
Absolutely everybody

Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide world

Everybody breathes  
And everybody needs  
Absolutely everybody

Absolutely everybody  
Absolutely everybody  
Absolutely everybody  
Everybody, everybody  
Absolutely everybody

Absolutely everybody
