My baby loves me
He tells me all the time,
That loving look that he has after 3 years have gone by,
The memories we share
The good times that we had
The endless days that leave him wanting more
Wanting more

(Chorus)
Baby's on ice
From the start of the morning
Baby's on ice
Rocking out most of the time
And if the sun don't shine that day
More the reason to get hazed
Baby's on ice.

Some say how do you trust him,
When he's never really home,
Running around till 4am with no answer from his phone
Well he always comes back
With his lips all chewed and cracked,
But that's ok, why would I complain
He's not to blame.

(Chorus)
Baby's on ice
From the start of the morning
Baby's on ice
Rocking out most of the time
And if the sun don't shine that day
More the reason to get hazed
Baby's on ice

My baby really tries
I know I make excuses for him
You can't choose the ones you love
He's not a bad person
He just a little messed up

(Backing)
Ice ice baby

He's on ice ice baby
Oohh ice ice baby
Dancing on ice ice baby
Skating on ice ice baby
He's on thin ice ice baby

My baby's on ice
He's skating high on life

(Chorus)
Baby's on ice
From the start of the morning
Baby's on ice
Rocking out most of the time
And if the sun don't shine that day
More the reason to get hazed
Baby's on ice
