My feet move without me  
All roads lead me back to you  
Lights flash red to yellow  
I can't control these things I do  
Yeah I know I should leave  
Yeah I know this is wrong  
But I don't care  
I don't wanna be that strong  
Like poison that I just have to taste  
Like an ocean that sweeps me away  
Something's this good has to be  
Has to be  
Hazardous  
Oh oh oh  
Hazardous  
Has to be  
Hazardous  
Oh oh oh  
Hazardous  
My heart it knows better  
You pushed the dagger way to deep into me  
This weak strange addiction  
It's what I want not what I need  
What I need  
So what do you do?  
When your falling face first  
And you know your gunna like

the way that it hurts  
Like poison that I just have to taste  
Like an ocean that sweeps me away  
Something's this good has to be  
Has to be  
Hazardous  
Oh oh oh  
Hazardous  
Has to be  
Hazardous  
Oh oh oh  
Hazardous  
When your next to me  
I can't hardly breathe

Or touch the ground  
Oh my life would be much easier  
without you  
But I wouldn't change  
one single thing about you  
Like poison that I just have to taste  
Like an ocean that sweeps me away  
Something's this good has to be  
Has to be  
Hazardous  
Oh oh oh  
Hazardous  
Has to be  
Hazardous  
Oh oh oh  
Hazardous
