Stand up

Like you mama said

You can be a mouse or

You can be a man

I don't have the time for

A little boy like you

Respect just ain't a word

It's something that you do

You need to prove

She's everything

She's a goddess and a queen bee

Show your loving boy and you'll be king

Come on!

Kiss your mama

Give me everything I'm waiting for

Kiss your mama

Show respect

Go and unlock the door

Kiss you mama baby

That's what I'm praying for

You'll be mine

When I see you act like a man

Nah nah nah nah nah nah nah

I know you can

Nah nah nah nah nah nah nah

Be a man

Nah nah nah nah nah nah nah

So tell who your mama now?

I'll break it down so

You can understand

I'm independent

But I want a man

If you think I'm uptight

Baby think again

Maybe time to grow up

Stop acting like a kid

Oh what the problem
Can't a woman be a woman,
and a man be gentleman?

CHORUS

Kiss your mama
Give me everything I'm waiting for
Kiss your mama
Show respect
Go and unlock the door
Kiss you mama baby
That's what I'm praying for
You'll be mine
When I see you act like a man

Nah nah nah nah nah nah nah
I know you can
Nah nah nah nah nah nah nah
Be a man
Nah nah nah nah nah nah nah
So tell who's your mama now?
