I spend my life  
Trying to do things right  
But all I do is fall to my face, with my hands and my  
hips so many times  
But then I learned  
After being burnt  
To get back up, push straight on, stop the tears, people  
move on-oon

Refrain:

Well it's alright to be myself  
Now I've learned to stand  
Well it's okay to be just who I am  
I've spent years really hatin' me  
Longing to be friends  
Now I hope that you can understand  
This Is Who I Am

Now when life gets tough  
I'm quick to hurry up  
I run all day, I run through the night, I'll break down  
walls, I'll hit up high  
I don't care if I'm fat,  
Or if you think my clothes are bad  
Yet I can go to sleep at night, I'm a good person and I'll  
get by-yyy

Refrain:

Well it's alright to be myself  
Now I've learned to stand  
Well it's okay to be just who I am  
I've spent years really hatin' me  
Longing to be friends  
Now I hope that you can understand  
This Is Who I Am

I need someone someone someone someone like me  
You deserve deserve, deserve to have me  
Cause our world keeps spinning  
And you don't try to turn it

Refrain:

Well it's alright to be myself

Now I've learned to stand  
Well it's okay to be just who I am  
I've spent years really hating me  
Longing to be friends  
Now I hope that you can understand  
This Is Who I Am

Yeaaaaaaaaaaaah, yeah yeah  
This is who I am  
Ooh, take a breather this is who I a-a-a-a-a-a-a-am
