{Verse1}

I spend my life  
Trying to do things right  
But all I do is fall to my face with my hands on my hips  
so many times  
But then I learned

After being burnt  
To get back up, push straight on, stop the tears,

People move on  
Ooonnnn

{Chorus}

Well it's alright to be myself  
Now I've Learned To Stand  
Well it's OK to be just who I am  
I've spent years really hating me

Longing to be friends (friends)  
Now I hope that you can  
Understand,

This Is Who I am

{Verse 2}

Now when life gets tough  
I'm quick to hurry up  
I run all day  
I run through the night  
I'll break down walls, I'll hit up high

I don't care if I'm fat,  
Or if you think my clothes are bad  
'Coz I can go to sleep at night I'm a good person and I'll  
get by, I!

{Chorus}

Well it's alright to be myself,  
Now I've Learned To Stand  
Well it's OK to be just who I am

I've spent years really hating me  
Longing to be friends (friends)  
Now I hope that you can understand,

This Is Who I am

{Bridge}

I need someone, someone someone, someone like me

You deserve, deserve, deserve to have me

Because your world keeps spinning  
And you'll try doin' it.

{Chorus}

Well it's alright to be myself,  
Now I've Learned To Stand

Well it's OK to be just who I am!  
I've spent years really hating me  
Longing to be friends (friends)

Now I hope that you can understand

This Is Who I am

Yyeaaahhhhhh, yeah yeah

This is who I am!

Oh, take a breather this is who I ah ah ah ah ah ah ah  
ah Am.
