She gets a little bit tipsy after one beer
She gets a little too wild when her friends bring her
here
It happens every time
At 3am at night
It's so hard to ignore
When she yelling through the door

(Chorus)

I guess I'm going home, but would you like to touch me
Suppose I'll do it on my own
Could of been nice if you joined me
Don't be afraid, I don't usually bite
I'm a good girl, am only bad some times
I'm going home would you like to cum

She likes to dance in the clubs, to the bass and the
subs
She gets a little bit horny, from the vibrations off the
floor
Some girls like to deny it
But there really trying to fight it
She so hard to ignore
When she's shouting through the door

(Chorus)

I guess I'm going home, but would you like to touch me
Suppose I'll do it on my own
Could of been nice if you joined me
Don't be afraid, I don't usually bite
I'm a good girl, I'm only bad some times
I'm going home would you like to cum
