"Diamonds And Pearls"

Visit "[Diamonds And Pearls](#)" on [MotoLyrics.com](#)

There are diamonds, pearls, emeralds & rings
None of these jewels show me a thing
I want only, only, only, I want your love
(Oo oo oo oo oo de oo)

Your eyes, your lips set me on fire
Your love, your kiss, my one desire
I want only, only, only, I want your love
(Oo oo oo oo oo de oo)

To hold me (oo oo oo oo oo de oo)
To kiss me (oo oo oo oo oo de oo)
To thrill me (oo oo oo oo oo de oo)

I don't want a chance for the gold
Just want someone to have & to hold
I want only, only, only, I want your love
(Oo oo oo oo oo de oo)
Your love (oo oo oo oo oo de oo)
Your love
