Ah, what can I do?  
Ah, what can I do?  
Imagine how many pride you've broke  
Imagine how many hearts you've stole

Everyone in town knows about you  
Happy go lucky girl  
The life you live isn't good  
Hard-headed girl

I have tried my best to change you  
Oh, how much I'd love to control you  
Ah, happy go lucky girl  
Ah, happy go lucky girl

Imagine how many pride you've broke  
Imagine how many hearts you've stole

Everyone in town knows about you  
Happy go lucky girl  
The life you live isn't good  
Hard-headed girl

I have tried my best to change you  
Oh, how much I'd love to control you  
Ah, happy go lucky girl  
Ah, happy go lucky girl  
Ah, happy go lucky girl...
