Talking:

Home  
Is where I want to be  
But I guess  
I'm already there  
I come home  
She lifted up her wings  
I guess this must be the place

(Music)

Home  
Is where I want to be  
Pick me up and turn me round  
I feel numb  
Born with a weak heart  
I guess I must be having fun

The less we say about it the better  
Make it up as we go along  
Feet on the ground  
Head on the sky  
It's okay,  
I know nothing wrong  
Nothing

Hy-yo  
I've got plenty of time  
Hi-yo  
You've got light in your eyes

And you're standing here beside me  
I love the passing of time  
Never for money,  
Always for love  
Cover up and say goodnight  
Say goodnight

Home  
Is where I want to be  
But i guess im already there

I come home  
She lifted up her wings  
I guess that this must be the place

I can't tell one from another..  
Did i find you, or you find me?  
There was a time  
Before we were born  
If someone asks this is where i'll be  
Where i'll be

Hi-yo  
We drift in and out  
Hi-yo  
Sing into my mouth

Out of all those kinds of people  
You've got a face with the veiw  
I'm just an animal  
Looking for a home  
And share the same space  
for a minute or two

And you loved me till my heart stops  
Love me till im dead  
Eyes that light up  
Eyes that look through  
Cover up the blind spots  
Hit me on the head  
and.....

oooooh  
oooooooooooooooooh  
oooooh ooooooooooh ooh
