I will show you this trick of mine
Sit back and enjoy the show
Watch as I grab the hands of time
And drag them back real slow

Mumbo jumbo, jeez
I made it go away
A brand new tomorrow
At the turn of day
ladoareya, euphoria

I will show you this trick of mine
Just get up and go
I'll take you way past the borderline
In an even flow

Mumbo jumbo, jeez
I made it go away
A brand new tomorrow
At the turn of day

ladoreya, euphoria
