I always thought that love  
Eventually would save me  
Though now it seems  
It's the other way around  
I went to the funfair  
But could not afford the entrance fee  
And our rollercoaster  
Came crashing to the ground

Then 'bang' in a big house on a hill  
For a moment time stood still

Sometimes shadows collide  
With arms open wide  
Two wrongs do make a right  
Aimless lyrical souls  
Sharing one single goal;  
Creating, instigating  
A spark in the dead of night

Oh so out of the blue  
Well, more like out of the grey  
These kinds of things  
Don't happen everyday  
Fascination at first sight  
And I think she felt it as well  
Someone's happened and I wonder  
If she ever knew just how hard I fell

Kisses, deep and warm  
A crash of thunder, raging storm

Sometimes shadows collide  
With arms open wide  
Two wrongs do make a right  
Aimless lyrical souls  
Sharing one single goal;  
Creating, instigating  
A spark in the dead of night

From the back of my mind

Off the top of my head  
Expressing my love  
While smoking in her bed

Helicopters crashing  
Every time she smiles  
When she leaves the room  
My heart's on trial

I do, I don't  
Believe in love
