We were driving fast after they told us to slow down
Blasting summer songs to drown the guilt out
Does anybody know how long it takes to reach the end
of the world?
I'd like to get lost again looking for the sun

One more time I'll wrap my arms around you
Dancing in the candied rain
Taste it in my mouth, sticking to my skin
Sweeter than the bitterness I've been swimming in
Tonight, I'll miss you anyway

And I give it all back to you
There is no witness to my skin
I have no dice for this game
I think they disappeared last time we played
And I lost, but laughed instead
One more time I'll wrap my arms around you
Dancing in the candied rain
Taste it in my mouth, sticking to my skin
Sweeter than the bitterness I've been swimming in
Tonight, I'll miss you

I could say I'm never coming back
But I like your empty bed
I like your empty bed
After all my well thought-out intentions have been
tucked in
I will let the guards sleep in your silhouette
In your silhouette
