Will tomorrow be better
When yesterday things got worse?
Just when I'm moving forward
You go and put me in reverse

And just because we were
That don't mean that we are meant to be
No, but who cares what tomorrow brings
If it can't make sense of you and me?

But now I've got you
And I can't imagine any day without you
It makes me wanna shout
And I'm singin'

Oh-oh, oh-oh
Hold on, don't let go
Don't open your eyes just yet
Oh-oh, oh-oh
Hold on, don't let go
It's not time to wake up yet

It's too late to cut you out
You're in my blood, you're gonna spread
Your smell, your taste, your laugh
Stuck in my heart and trapped in my head

But now I've got you
I can't imagine any day without you
And it makes me wanna shout
And I'm singin'

Oh-oh, oh-oh
Hold on, don't let go
It's not time to wake up yet
Oh-oh, oh-oh
Hold on, don't let go
Don't open your eyes just yet

If I could wake up how I dreamt, I wouldn't feel so tired
Your eyes, that laugh and cry can't seem the eyes of

liars
But that don't mean I love you less
And that don't mean I want you more than right now
Baby, right now

Oh-oh, oh-oh
Hold on, don't let go
It's not time to wake up
Oh-oh, oh-oh
Hold on, don't let go
Don't open your eyes just yet

Oh-oh, oh-oh
Hold on, don't let go
It's not time to wake up yet
Oh-oh, oh-oh
Hold on, don't let go
Don't open your eyes just yet
