You get the limo 'round front
Hottest styles, every shoe every color
Ya when your famous it can be kinda fun
It's really you but no one ever discovers
In some ways your just like all your friends
But on stage your a star

You get the best of both worlds
Chillin' out, take it slow
Then you rock out the show
You get the best of both worlds
Mix it all together and you know that it's the best of
both worlds

You go to movie premieres
Hear your songs on the radio
Living two lives is a little wierd
yeah
But schools cool cuz nobody knows
Ya you get to be a small town girl
But big time when you play your guitar

You get the best of both worlds
Chillin out, take it slow
Then you rock out the show
You get the best of both worlds
Mix it all together and you know that it's the best of
both of both worlds

Pictures and autographs
You get your face in all the magazines
The best part is that
You get to be whoever you want to be

(best! best
Ya the best of both
(best!best)
You've got the best of both
(best!best!)
Come on best of both
Who would have thought a girl like me

Would double as a superstar

You get the best of both worlds

Chillin out, take it slow

Then you rock out the show

You get the best of both worlds

Mix it all together and you know that it's the best

You get the best of both worlds

With the shades and the hair

You can go anywhere

You get the best of both worlds

Mix it all together, oh ya

It's so much better cuz you know you got the best of
both worlds
