I'm more than just
YOUR average girl
I like to turn me up
And show the world

Oh yeah!

Cause something talk to talk
But this girl just wants to rock
I'm an individual
I'm not like anyone

I can be glamorous
Just like you see in all the magazines
I can be cool as ice or
ANYTHING I want to be

Who said, who said I can't be superman
I say, I say that I know I can
Who said, who said I won't be president
I say, I say you ain't seen nothin' yet

Oh yeah!

Come on and make some noise
Every girl has a choice
To lead their own parade
I do it my way

Owww...!

I can be soft and sweet or
Louder than the radio
I can be sophisticated or
Totally good out of control

Who said, who said I can't be superman
I say, I say that I know I can
Who said, who said I'm not electrified
I say, I say

There's no holdin' back
Then you're right on track
Cause you control the game
So let them know your name

NO LIMITATIONS in imagination
Imagine this

Oh...
Yeah...!

Who said, who said i can't be worldwide
I say, I say time is on my side
Who said, who said i can't be ten feet tall
I say, I say that i can have it all

Who said, who said I can't be superman
I say, I say that I know I can
Who said, who said i won't be president
I say, I say you ain't seen nothin' yet

Wowww...
Yeahhhh...!

Who said

Come on

Yeah...

That's right!
