For all the times that we,

we ever were to be

Look at us baby, Look at us now

For every day that I

should have you by side, we'll make it baby, look at us
now

For every night I pray

I know that you will say

Look at us baby, Look at us now

Remembering the time

Our love was not so fine

We made it baby, Look at us now, baby look at us

Everybody believed

We would never be

Look at us, up above

We are so in love

Everday

In your arms

baby, can't go wrong

we are strong, look at us now

For all the times that we,

we ever were to be

Look at us baby, Look at us now

For every day that I

should have you by side, we'll make it baby, look at us
now

For every night I pray

I know that you will say

Look at us baby, Look at us now

Remembering the time

Our love was not so fine

We made it baby, Look at us now

Baby look at us...(x4)

Everybody believed

we would never be

Look at us, up above

We are so in love

Everyday

In your arms

Baby, can't go wrong

WE ARE STRONG- LOOK AT US NOW!

For every night I dream, together you and me

Look at us baby, look at us now

and like a flower bloom, the glowing of the moon

we'll make it baby, look at us now

for everyone who believed, that we could never be

Look at us baby, look at us now

Now all the hurt is gone, I knew it all along

We made it baby, look at us now

Baby look at us...(x5)

For every night I dream.... baby look at us (x4)

Dream dream dream dream

For every night I dream, The more I do believe

Look at us baby, look at us now

A bird up in the sky- our love will not deny

we'll make it baby, look at us now

In all you ever do, I know you will be true

Look at us baby, look at us now

A story of a guy, cuz one too many die

We'll make it baby, Look at us now

Baby Look At Us
