for all the time i'm with you
we never wouldn't be,
look at us baby look at us now
for everyday that i, should have you by my side
we'll make it baby, look at us now
for every night i pray, i know that you would stay
look at us baby look at us now
remembering the time, our love was ment so fine.
we made it baby look at us now.
baby look at us....
(chant):
everybody believed we would never be
look at us up above, we are so in love
everyday in your arms, baby can't go wrong,
we are strong look at us now
for all the time that we, we never
wouldn't be, look at us baby look at us now
for everyday that i, should have you by my side
we'll make it baby, look at us now
for every night i pray, i know that you would stay
look at us baby...

remembering the time, our love was
meant so fine, we made it baby look at us now.
baby look at us...(x4)
chant
for every night i dream together you and me..
look at us baby...
and like the flower blooms with glowing of the moon
we'll make it baby, look at us now
to everyone believed that we can never be,
look at us baby...
and all the hurt is gone, i knew it all along
we made it baby, look at us now
baby look at us...(x5)
for every night i dream...(baby look at us)..(x4)
for every night i dream the more i do believe
look at us baby...a bird up in the sky
our love was meant so high we'll make it baby
look at us now.
and all that you will do
i know that you will be true..
look at us baby.
a story of a guy that once have never died
we'll make it baby...
baby, look at us
