True Colors

by: Sarina Paris

You with the sad eyes

Don't be discouraged

Though I realize

It's hard to take courage

In a world full of people

You can lose sight of it all

When the darkness inside of you

Makes you feel so small

When I see your true colors shining through

I see your true colors and that's why I love you

So, don't be afraid to let them show

Your true colors

True colors

Beautiful like a rainbow

Show me your smile

And don't be unhappy

Can't remember when

I last saw you laughing

If this world makes you crazy

And you've taken all you can bear  
Just call me  
Because you know I'll be there  
When I see your true colors shining through  
I see your true colors and that's why I love you  
So, don't be afraid to let them show  
Your true colors  
True colors  
Beautiful like a rainbow  
If this world makes you crazy  
And you've taken all you can bear  
Just call me  
Because you know I'll be there  
When I see your true colors shining through  
I see your true colors and that's why I love you  
So, don't be afraid to let them show  
Your true colors  
True colors  
True colors shining through  
I see your true colors and that's why I love you  
So, don't be afraid to let them show  
Your true colors  
True colors  
Beautiful like a rainbow
