For all the times i really, Ever wouldn't be
Look at us baby, Look at us now
For everyday that i, Should have you by my side
Will make it baby, Look at us now
For every night i pray, I know that you would say
Look at us baby, Look at us now
Remembering the time, Are love was not so fine
We made it baby, Look at us now
Baby look at us
Every bo-dy believed, We would never be
Look at us, up above, We are so in love
Everyday, in you arms, Baby cant go wrong
We are strong, Look at us now
For all the times i meet, We ever were to be
Look at us baby, Look at us now
For everyday that i, Should have you by my side
Will make it baby, Look at us now
For every night i pray, I know that you would say
Look at us baby, Look at us now
Remembering the time, Are love was not so fine
We made it baby, Look at us now

Baby look at us

Baby look at us,

Baby look at us,

Baby look at us,

Baby look at us

Every bo-dy believed, We would never be

Look at us, up above, We are so in love

Everyday, In you arms

Baby, Can't go wrong

We are strong, Look at us now

For every night i dream, Together you and me

Look at us baby, Look at us now

Your like the flower bloom, The glowing of the moon

Will make it baby, Look at us now

For everyone believe, That we could never be

Look at us baby, Look at us now

now all the hurt is gone, I knew it all along

We make it baby, Look at us now

Baby look at us,

Baby look at us,

Baby look at us,

Baby look at us,

baby look at us

For every night i dream, Baby look at us

For every night i dream, Baby look at us

For every night i dream, Baby look at us

For every night i,

Dream, dream, dream, dream, dream,

Dream, dream, dream, dream, dream,

Dream, dream, dream, dream, dream,

Dream, dream, dream, dream, dream,

dream, dream, dream, dream, dream (fade)

For everynight i dream, The more i do believe

Look at us baby, Look at us now

all cleared up in the sky, Are love will meant tonight

Will make it baby, Look at us now

And all you ever do, I know you would be true

Look at us baby, Look at us now

A story of a guy, Is one to never die

Will make it baby, Look at us now

Baby look at us

For all the times i really, Ever would to be

Look at us baby, Look at us now

For everyday that i, Should have you by my side

Will make it baby, Look at us now

For every night i pray, I know that you would say

Look at us baby, Look at us now

Remembering the time, Are love was not so fine

We made it baby, Look at us now

Baby look at us,

Baby look at us,

Baby look at us,

Baby look at us
