Chester] I'm about to break...

I'm about to break..

Need room to breathe (x3)

I cannot take this anymore.

Saying everything I said before.

All these words they make no sense,

I find bliss in ignorance,

The less I hear the less you say,

You'll find that out anyway.

I find the answers aren't so clear.

I wish I could find a way to disappear

All these thoughts they make no sense,

I find bliss in ignorance,

Nothing seems to go away,

Over and over again (x5)

Just Like Before...

Everything you say to me

...and I'm about to break!

I need a little room to breathe

...and I'm about to break!

Everything you say to me

...and I'm about to break!

I need a little room to breathe

...And I'm about to (BREAK)

[Jonathan]

These are the places where I can feel

Torn from my body, my flesh it peels...

During this frightly concurring balmy night...

(I'm about to break..)

Waiting alone, I cannot resist.

Filling this hate I have never missed.

Raise up my memory, a reason to rip off my face.

Blood is pouring

and pouring (9x)

SHUT UP WHEN I'M TALKING TO YOU! SHUT UP!

Jonathan: And it's pouring!

Chester: SHUT UP!

Jonathan: And it's pouring!

Chester: SHUT UP!

Jonathan: And it's pouring!

Chester: SHUT UP WHEN I'M TALKING TO YOU SHUT UP!

Jonathan: And it's pouring!

Chester: SHUT UP!

Jonathan: And it's pouring!

Chester: SHUT UP!

Jonathan: And it's pouring!

Chester: SHUT UP...I'm about to break!

Everything you say to me

...and I'm about to break!

I need a little room to breathe

...and I'm about to break!

Everything you say to me

...and I'm about to break!

I need a little room to breathe And I'm about to...

Everything you say to me

Takes me one step closer to the Edge...I'm about to break!

I need a little room to breathe

...Cause I'm one step closer to the Edge...and I'm about to break!

Everything you say to me

...Takes me one step closer to the Edge...I'm about to break!

I need a little room to breathe

...Cause I'm one step closer to the Edge...and I'm about to
