I watch how the moon  
sits in the sky in the dark night  
shining with the light from the sun  
the sun doesnt give life to the moon assuming  
the moon's gonna owe it one  
it makes me think of how you act to me (you do)  
favors then rapidly (you just)  
turn around and start asking me about  
things that you want back form me

Pre chorus:

im so sick of the tension  
sick of the hunger  
sick of you acting like i owe you this  
find another place  
to feed your greed  
while i find a place to rest

Chorus:

i wanna be in another place  
i hate when you say you dont  
understand (you'll see its not meant to be)  
i wanna be in the energy

not with the enemy  
a place for my head  
maybe some day i'll be just like you (and)  
step on people like you do and  
run away, the people i thought i knew  
i remember back then who you were  
you used to be calm  
used to be strong  
used to be generous  
but you should've known (that you'd)  
wear out (your welcome)  
and now you see  
how quiet it is all alone  
(Pre Chorus)

(Chorus)

(you) try to take the best of me  
go away

(you) try to take the best of me  
go away

(you) try to take the best of me  
go away

(you) try to take the best of me

GO AWAY

(Chorus)
