Where should I start

Disjointed heart

I've got no commitment

To my own flesh and blood

Left all alone

Far from my home

No one to hear me, to heal my ill heart, I

Keep it locked up inside

Cannot express

To the point I've regressed

If anger's a gift, then I guess I've been blessed, I

Keep it locked up inside

Keep my distance from your lies

It's too late to love me now

You helped me to show me

It's too late to love me now

You don't even know me

Breaking a part of my heart to find release

Taking you out of my blood to bring me peace

Breaking a part of my heart to find release

Taking you out of my blood to bring me peace

Breaking a part of my heart to find release (Break)
Taking you out of my blood to bring me peace (Me)
Breaking a part of my heart to find release (Too)
Taking you out of my blood to bring me peace
Keep it locked up inside
Keep my distance from your lies
Breaking a part of my heart to find release (Break)
Taking you out of my blood to bring me peace (Me)
Breaking a part of my heart to find release (Too)
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peace
Breaking a part of my heart to find release
Taking you out of my blood to bring me peace
Keep my distance
Keep my distance
Keep my distance
Keep my distance
