hey yo, when this first started off it was just Linkin Park,
and then in the middle came motion man and at the
end of it all it was Kutmasta Kurt with a remix(the
remix)

[Shinoda]

One thing, I dont why it doesn't even matter how hard
you try keep that in mind, I designed this rhyme when I
was obsessed with time. all I know, time was just slipping
away, and i watched it count to the end of the day.
watched it watch me and the words that i say. they
echo in the clock rythem in my veins. i know that i didnt
look out below when i watched the time go right out the
window. trying to grabhold, trying not to watch. i
wasted it all on the hands of the clock. but in the end,
no matter what i pretend the journey is more important
than end or the start and what it meant to me will
eventually be a memory of a time when I tried so hard.

[Chester]

I tried so hard, and got so far, but in the end it doesn't
even matter. i had to fall, to lose it all, but in the end, it
doesn't even matter.

[Motion Man]

Hey yo one thing (one thing), i dont know why. it
doesn't even matter how hard you try. keep that in
mind. I designed this rhyme to explain in due time. all i
know, I so-socialize like the host of the party and spost
shake the need, I contact. party the toe strong all mat,
northeast, southwest coast. im staring out the window
at the opportunity to Mendel. i tried disorda your weak
in your system and i defordered. i brought you back
into things, like the imaginary man of your dreams.
you'd always seem to make it worth it. a pig skin, i
never nerfed it. you felt lever never pleather real
bringing the pleasure. by any means it means I'm
leaving your teens,. holler for teen magizens, but i

tried so hard.

[Chester]

Tried so hard, and got so far, but in the end it doesn't even matter. I had to fall, to lose it all, but in the end, it doesn't even matter.

One thing, I don't know how. it doesn't even matter when you look at it now. cuz when I designed this rhyme, I was scared of it all. scared to fall, and hadn't even tried to crawl. but I was forced to run, with you mockin me. stoppin me, back stabbing me constantly. remembering all the times you fought with me. watched the clock mount chock full of hip-hopcrisy. and now your mouth wishes it could inhale, every single little thing you said to make things fail. every single word you sputtered to just to get you peace, but it doesn't really matter to me, cuz from the start to the end, no matter what I pretend, the journey is more important than the end or the start. and what it meant to me will eventually be a memory of a time when I tried so hard.

Tried so hard, and got so far, but in the end it doesn't even matter. I had to fall, to lose it all, but in the end, it doesn't even matter.
