Riding with a head full of bodies are red

And when this x is still stuck in my head

But misled doing the things I do would make you never
wanna come back

But an all front attack, so you could never run from that

Being trapped in this beau, some that I never wanted to
do

But through it all you've got to see that what I want to
be

Is over the pen again letting it out of me

In the center of the day in the dream, seeing all my
thoughts

Getting lost in between, realizing one that the way to
the sea

And the killing and again are in the head with the
screams

I wanna live in another place

Where no one can say that I live for them

I wanna be in the energy, not with the enemy

A place for my head

We're gonna be crushed when it all falls apart

Going in the hollow, hoping that you won't know

The strain it puts to me, seeing what you've done

And consequently I've run away, just hitting again

Within the boundaries of an anguish

Want me to say this, but you're dragging me down

Lost in the chaos being tossed around

Singing again to myself, a head full of hectic

Hope that some day you'll regret this

Everything's the wrong place, the wrong time

Adding to the head again i'm going blind (?)

Singing again to myself, a head full of hectic

Hope that some day you'll regret this

Everything's the wrong place, the wrong time

Adding to the head again i'm going blind (?)

I wanna live in another place

Where no one can say that I live for them

I wanna be in the energy, not with the enemy

A place for my head

You

Try to take the best of me

Go away

You

Try to take the best of me

Go away

You

Try to take the best of me

Go away

You

Try to take the best of me

GO AWAY

You

Try to take the best of me, go away

You

Try to take the best of me, go away

You

Try to take the best of me, go away

You

Try to take the best of me, go away

I wanna live in another place

Where no one can say that I live for them

I wanna be in the energy, not with the enemy

A place for my head

Shut up (?)

Singing again to myself, a head full of hectic

Hope that some day you'll regret this

Everything's the wrong place, the wrong time

Adding to the head again i'm going blind (?)

Singing again to myself, a head full of hectic

Hope that some day you'll regret this

Everything's the wrong place, the wrong time

Adding to the head of mine, i'm going blind
