i am

little bit of loneliness

a little bit of disregard

a handful of complaints

but i can't help the fact

that everyone can see these scars

i am

what i want you to want

what i want you to feel

but it's like

no matter what i do

i can't convince you

to just believe this is real

so i let go

watching you

turn your back like you always do

face away and pretend that i'm not

but i'll be here

cause you're all i got

i can't feel

the way i did before

don't turn your back on me

i won't be ignored

time won't change

this damage anymore

don't turn your back on me

i won't be ignored

i am

a little bit insecure

a little unconfident

cause you don't understand

i do what i can

but sometimes i don't make sense

i am

what you never want to say

but i've never had a doubt

it's like no matter what i do

i can't convince you

for once just to hear me out

so i let go

watching you

turn your back like you always do

face away and pretend that i'm not

but i'll be here

cause you're all i got

i can't feel

the way i did before

don't turn your back on me

i won't be ignored

time won't change

this damage anymore

don't turn your back on me

i won't be ignored

no

hear me out now

you're gonna listen to me

like it or not

right now

hear me out now

you're gonna listen to me

like it or not

right now

i can't feel

the way i did before

don't turn your back on me

i won't be ignored

i can't feel

the way i did before

don't turn your back on me

i won't be ignored

time won't change

this damage anymore

don't turn your back on me

i won't be ignored

i can't feel

don't turn your back on me

i won't be ignored

time won't change

don't turn your back on me

i won't be ignored
