CHORUS 1:

From the top to the bottom

Bottom to top I stop

At the core I've forgotten

In the middle of my thoughts

Taken far from my safety

The picture is there

The memory won't escape me

But why should I care

CHORUS 1

There's a place so dark you can't see the end

[Skies cock back] and shock that which can't defend

The rain then sends dripping / acidic question s

Forcefully, the power of suggestion

Then with the eyes tightly shut / looking thought the
rust and rot

And dust / a spot of light floods the floor

And pours over the rusted world of pretend

The eyes ease open and its dark again

CHORUS 1

CHORUS 2:

In the memory you'll find me
Eyes burning up
The darkness holding me tightly
Until the sun rises up
Moving all around / screaming of the ups and downs
Pollution manifested in perpetual sound
The wheels go round and the sunset creeps behind
Street lamps, chain-link and concrete
A little piece of paper with a picture drawn floats
On down the street till the wind is gone
The memory now is like the picture was then
When the paper's crumpled up it can't be perfect again
CHORUS 1 (x2)
CHORUS 2
Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you. (verse x7)
CHORUS 2 (x2)
