i don't know who to trust
no surprise
everyone feels so far away from me
heavy thoughts sift through dust
and the lies
trying not to break
but i'm so tired of this deceit
every time i try to make myself
get back up on my feet
all i ever think about is this
all the tiring time between
and how
trying to put my trust in you
just takes so much out of me
i take everything from the inside
and throw it all away
cause i swear / for the last time
i won't trust myself with you
tension is building inside
steadily
everyone feels so far away from me

heavy thoughts forcing their way

out of me

i won't trust myself with you

i won't waste myself on you

waste myself on you

you
