Crawling in my skin

Without a sense of confidence

Consuming, confusing

Crawling in my skin

Without a sense of confidence I'm convinced that
there's just too much prssure too take

There's something inside me that pulls beneath the
surface

[Aaron]

Crawling in my skin

These wounds, they will not heal

Fear is how I fall

Confusing what is real

[Chester]

There's something inside me that pulls beneath the
surface

Consuming, confusing

This lack of self control I fear is never ending

Controlling

I can't seem

To find myself again

My walls are closing in

(Without a sense of confidence I'm convinced that
there's just too much pressure to take)

I've felt this way before

So insecure

[Aaron and Chester]

Crawling In my skin

These wounds, they will not heal

Fear is how I fall

Confusing what is real

Discomfort, endlessly has pulled itself upon me

Distracting, reacting

Against my will I stand beside my own reflection
It's haunting how I can't seem...

To find myself again

My walls are closing in

(Without a sense of confidence I'm convinced that
there's just too much pressure to take)

I've felt this way before

So insecure

Without a sense of confidence i'm convinced that
theres just too much pressure to take (2x)

Can't seem to find myself again my walls are closing
in..

Without a sense of confidence I'm convinced that
theres just too much pressure to take

I've felt this way before so insecure..

[Aaron and Chester]

Crawling In my skin

These wounds, they will not heal

Fear is how I fall

Confusing what is real (2x
