I...wanna make money for drugz

To be sucked and eat bugz

I wanna be a rockstar...

but people say i'm pathetic

even my own mother!!

my earlier song was a flop.

so i wanted to make a joint

so roll roll roll my joint

like i've never seen before...

i wanna get stoned like my father every day...

and drink a lot of rum like my father every day...

FATHER (father)

FATHER (father)

FATHER (father)

FATHER (FAAATHAAAAAAR!!)

I wanna be a rockstar...

and make money for drugz every day

i'm so addicted to marhijuana..

that i can't live without your mama

sugaaaaar

your my :

sugaaaar

I wanna smoke weed every day...

get stoned like my father...(every day)

I got a gun the other day...

it's right in my pocket...

(yeah right in my pocket!)

no lights no music...

i think i wanna stay....

to make money for drugzzzz
