This is my December

This is my time of the year

This is my December

This is all so clear

This is my December

This is my snow covered home

This is my December

This is me alone

And I

Just wish that I didn't feel

Like there was something I missed

And I

Take back all the things I said

To make you feel like that

And I

Just wish that I didn't feel

Like there was something I missed

And I

Take back all the things I said to you

And I give it all away

Just to have somewhere to go to

Give it all away

To have someone to come home to

This is my December

These are my snow covered dreams

This is me pretending

This is all I need

And I

Just wish that I didn't feel

Like there was something I missed

And I

Take back all the things I said

To make you feel like that

And I

Just wish that I didn't feel

Like there was something I missed

And I

Take back all the things I said to you

And I give it all away

Just to have somewhere to go to

Give it all away

To have someone to come home to

This is my December

This is my time of the year

This is my December

This is all so clear

And I give it all away

Just to have somewhere to go to

Give it all away

To have someone to come home to
