I live a life that sheltered  
I'm constantly alone  
I'm pointing out my weakness  
There's an emptiness at home  
I need to find a reason  
To live this way  
I'm running out of patience  
And my life is over  
I'm standing here  
But I'm on my way  
Searching to find an answer  
I'm standing here  
But it's all the same  
And I'm running out of patience  
And I will take my reason  
From you  
And I have gained a reason  
From you  
But you left me  
You left me here  
And I'm all alone

Been stripped of my innocence

Take pity in myself

A certain chain of grievance

That put me in this hell

I need to find a reason

To live this way

I'm running out of patience

And my life is over

I'm standing here

But I'm on my way

Searching to find an answer

I'm standing here

But it's all the same

And I'm running out of patience

And I will take my reason

From you

And I have gained a reason

From you

But you left me

You left me here

And I'm all alone

I'm all alone

I'm all alone

I'm all alone

I'm all alone

Ahhhhhhhhhhhhhhhhh

Ahhhhhhhhhhhhhhhhh

Well I'm searching

To find my reason

To find a reason

To find my reason

Why I need you

And I need you

And I want you

But I need to

Get away from you

And I need you

And I want you

But I need to

Get away from you

And I need you

And I want you

But I need to

Get away from you

And I need you

And I want you

But I need to

Get away from you

And I will take my reason

From you

And I needed someone to love me

But you just left me

Here and I'm lonely

You know I needed

Someone to love me

But I'm all alone

( isn't this song by spiritfall and not linkin park
