I cannot take this anymore
I'm saying everything I've said before
All these words they make no sense
I find bliss in ignorance
Less I hear the less you'll say
But you'll find that out anyway
Just like before...
Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
Cause I'm one step closer to the edge
And I'm about to break
I find the answers aren't so clear
Wish I could find a way to disappear
All these thoughts they make no sense
I find bliss in ignorance
Nothing seems to go away
Over and over again
Just like before...
Everything you say to me

Takes me one step closer to the edge

And I'm about to break

I need a little room to breathe

Cause I'm one step closer to the edge

And I'm about to break

Shut up when i'm talking to you!

Shut up

Shut up

Shut up

Shut up when i'm talking to you!

Shut up

Shut up

Shut up

Everything you say to me

Takes me one step closer to the edge

And I'm about to break

I need a little room to breathe

Cause I'm one step closer to the edge

And I'm about to break

Everything you say to me

Takes me one step closer to the edge

And I'm about to break

I need a little room to breathe

Cause I'm one step closer to the edge

And I'm about to break
