Why does it feel like night today
Something in here's not right today
Why am I so uptight today?
Paranoia's all I got left
I don't know what stressed me first
Or how the pressure was fed/but
I know just what it feels like
To have a voice in the back of my head
It's like a face that I hold inside
A face that awakes when I close my eyes
A face watches every time I lie
A face that laughs every time I fall
[And watches everything]
So I know that when it's time to sink or swim
That the face inside is hearing me/right underneath
my skin
It's like I'm paranoid lookin' over my back
It's like a/whirlwind inside of my head
It's like/I can't stop what I'm hearing within
It's like the face inside is right beneath my skin
I know I've got a face in me

Points out all my mistakes to me
You've got a face on the inside too and
Your paranoia's probably worse
I don't know what set me off first but I know what I
can't stand
Everybody acts like the fact of the matter is
I can't add up to what you can
But everybody has a face that they hold inside
A face that awakes when they close their eyes
A face watches everytime they lie
A face that laughs everytime they fall
[And watches everything]
So you know that when it's time to sink or swim
That the face inside is watching you too/right
inside your skin
The sun goes down
I feel the light betray me
