Chester]

I wanna be in another place, I hate when you say you
don't understand, I wanna be in the energy, not with
the enemy, a place for my head.

[Mike]

I watch how the moon sits in the sky on a dark night,
shining with the light from the sun, the sun doesnt give
light to the moon, assuming the moons gonna owe it
one, and makes think of how you act to me, you do
favors that rapidly, you just turn around and start
asking me about things you want back from me, Im sick
of the tension, sick of the hunger, sick of you acting
like I owe you this, find another place to feed your
greed, while I find a place to rest, Im sick of the
tension, sick of the hunger, sick of you acting like I owe
you this, find another place to feed your greed, while I
find a place to rest.

I wanna be in another place, I hate when you say you
dont understand, (you'll see its not meant to be) I
wanna be in the energy, not with the enemy, a place for
my head. (2x)

I wanna, I wanna, I wanna, I wanna..

[Zion]

Two Two Three Three Ya Ya Ya Gimme energon to keep
me calm, you and your mom

keep on the drom. Used to be a team, passed that
baton but you flop that bod

as you drop that bomb. Take it to the john in your
babylon, flushed down with

the sound that you carry on. I don't really give a damn
you pissed on my lawn

took a dump like a punk now the battles on. So sick of
you stressin', sick of

you fessin', sick of you actin' like I owe you some. Find
another place to

feed your face, if you don't we gonna bump, get it up,
get crunk. Sick of you

stressin', sick of you fessin', sick of you actin' like I owe
you some. Find

another place to feed your face, if you don't we gonna
bump, get it up, get

crunk

I wanna be in another place, I hate when you say you
dnt understand, (you'll see its not meant to be) I
wanna be in the energy, not with the enemy, a place for
my head. (2x)
