Forfeit the game stop the talk show

Product the one you were taught to know

Forfeit the game cause tomorrow

When its all done you reap what you sow

You love the way I look at you

While taking pleasure in the awful things you put me through

You take away if I give in

My life, my pride, is broken

You'd like to think you're never wrong (You live what you've learned)

You have to act like you're someone (You live what you've learned)

You want someone to hurt like you (You live what you've learned)

You only share what you've been through (You live what you've learned)

You love the things I say I'll do

The way I hurt myself again just to get back at you

You take away when I give in

My life, my pride, is broken

You like to think you're never wrong (You live what you learn)

You want to act like you're someone (You live what you

learn)

You want someone to hurt like you (You live what you learn)

You want to share what you've been through (You live what you learn)

Forfeit the game stop the talk show

Product the one you were taught to know

Forfeit the game cause tomorrow

When it's all done you reap what you sow

(repeat)

You like to think you're never wrong (You live what you learn)

You want to act like you're someone (You live what you learn)

You want someone to hurt like you (You live what you learn)

You want to share what you've been through (You live what you learn)

You'd like to think you're never wrong (Forfeit the game)

You have to act like you're someone (Forfeit the game)

You want someone to hurt like you (Forfeit the game)

You only share what you've been through
