Forfeit the game, Stop the talk show

Product to what, You're taught to know

Forfeit the game, Cause tomorrow

When it's all done, You reap what you sow

You love the way I look at you

While taking pleasure in the awful things you put me
through

You take away if I give in

My life, My pride is broken

You like to think you're never wrong

(You live what you learn)

You have to act like you're someone

(You live what you learn)

You want someone to hurt like you

(You live what you learn)

You want to share what you've been through

(You live what you learn)

You love the things I say I'll do

The way I'll hurt myself again just to get back at you

You take away when I give in

My life, My pride is broken

You like to think you're never wrong

(You live what you learn)

You have to act like you're someone

(You live what you learn)

You want someone to hurt like you

(You live what you learn)

You want to share what you've been through

(You live what you learn)

You love the things i say i do

the way i hurt myself again to just get back at you

you take away when i give in

my life my pride is broken
