Forfeit the game / Before somebody else

Takes you out of the frame / Puts your name to shame

Cover up your face / You can't run the race

The pace is too fast / You just won't last

You love the way I look at you

While taking pleasure in the awful things you put me through

You take away if I give in

My life

My pride is broken

You love the things I'll do

The way I'll hurt myself again just to get back at you

You take away when I give in/ my life

My pride is broken

Chorus:

You like to think you're never wrong

You want to act like you're someone

You want someone to hurt like you

You want to share what you've been through

(you live what you learn
