Forfeit the game

before somebody else takes you out of the frame

and puts your name to shame

cover up your face, you can't run the race

the pace is too fast, you just won't last

You love the way I look at you

While taking pleasure in the awful things you put me  
through

You take away if I give in

My life, my pride, is broken

You'd like to think you're never wrong (You live what  
you've learned)

You have to act like you're someone (You live what  
you've learned)

You want someone to hurt like you (You live what you've  
learned)

You only share what you've been through (You live  
what you've learned)

You love the things I say I do

The way I hurt myself again just to get back at you

You take away when I give in

My life, my pride, is broken

You'd like to think you're never wrong (You live what  
you've learned)

You have to act like youÃ, 're someone (You live what  
you've learned)

You want someone to hurt like you (You live what you've  
learned)

You only share what youÃ, 've been through (You live  
what you've learned)

Forfeit the game

before somebody else takes you out of the frame

and puts your name to shame

cover up your face, you canÃ, 't run the race

the pace is too fast, you just won't last
