Forfeit the game / Before somebody else

Takes you out of the frame / Puts your name to shame

Cover up your face / You can't run the race

The pace is too fast / You just won't last

You love the way I look at you

While taking pleasure in the awful things you put me
through

You take away if I give in

My life, my pride, is broken

You'd like to think you're never wrong (You live what
you've learned)

You have to act like you're someone (You live what
you've learned)

You want someone to hurt like you (You live what you've
learned)

You only share what you've been through (You live what
you've learned)

You love the things I say I do

The way I hurt myself again just to get back at you

You take away when I give in

My life, my pride, is broken

You like to think you're never wrong (You live what you
learn)

You want to act like you're someone (You live what you

learn)

You want someone to hurt like you(You live what you
learn)

You want to share what you've been through(You live
what you learn
