I've lied to you

The same way that I always do

This is the last smile

That I'll fake for the sake of being with you

Pre chorus:

(Everything falls apart, even the people who never  
frown eventually break down)

The sacrifice of hiding in a lie

(Everything has to end, you'll soon find we're out of  
time left to watch it all

unwind)

The sacrifice is never knowing

Why I never walked away

Why I played myself this way

Now I see your testing me pushes me away

I've tried like you

To do everything you wanted too

This is the last time

I'll take the blame for the sake of being with you

Pre chorus

Chorus (2x)

We're all out of time, this is how we find how it all

unwinds

The sacrifice of hiding in a lie

We're all out of time, this is how we find how it all  
unwinds

The sacrifice is never knowing

Chorus (2x)

Pushes me away€!(2x
