Graffiti decorations

Under a sky of dust

A constant wave of tension

On top of broken trust

The lessons that you taught me

I learned were never true

Now I find myself in question

(They point the finger at me again)

Guilt by association

(You point the finger at me again)

I wanna run away

Never say good-bye

I wanna know the truth

Instead of wondering why

I wanna know the answers

No more lies

I wanna shut the door

And open up my mind

Paper bags and angry voices

Under a sky of dust

Another wave of tension

Has more than filled me up
All my talk of taking action
These words were never true
Now I find myself in question
(They point the finger at me again)
Guilt by association
(You point the finger at me again)
I wanna run away
Never say good-bye
I wanna know the truth
Instead of wondering why
I wanna know the answers
No more lies
I wanna shut the door
And open up my mind
